NARRATIVE:

On Wednesday, July 29, 1992, Squad 124, Detectives Brian O'KEEFE and Michael YOUNG, proceeded to the PEX Surplus Store located at 533 W. Wisconsin Ave. At that location, we did meet with the owner who was identified as James DESHACER-M/B, dob-7/16/39 of 6920 N. Beechtree Terrace, Glendale, WI. Mr. DESHACER has a work phone at the PEX of #765-9999. Mr. DESHACER was contacted regarding an earlier call I had made to him regarding the cash register receipts that he retained for his business. These receipts were in regards to four specific dates, that being 3/17/92, 3/25/92, 4/2/92, and 4/10/92. This is in reference to a supplementary report filed by Detective David KLABUNDE in which he interviewed a witness, James PELLETIER. Mr. PELLETIER is a post office worker who was working downtown on these dates and had stated he believed he gave a person fitting the description of Jesse ANDERSON directions to the PEX Store.

In speaking to James DESHACER, he stated that he had, in fact, recovered the daily receipts for ~~this date~~ for these four days and he then turned these receipts over to us. Mr. DESHACER stated that he had examined the receipts and was looking for an \$18.95 purchase. Mr. DESHACER stated that this is the amount that he charged customers for the type of knife that was used in this offense. Mr. DESHACER stated that he located one \$18.95 purchase, that being on 4/2/92. Mr. DESHACER stated that there is no indication on the receipt as to what item of merchandise was sold for this amount as his cash register receipts do not reflect a specific merchandise item but only a merchandise price. Mr. DESHACER stated that he could not be certain that this ~~is~~ was actually a knife sold on this date as there may be other items in his store that sell for that amount.

After obtaining these receipts, they were eventually placed on MPD Inventory #1384788 as evidence. These receipts consisted of eight rolled up paper cash register receipts and were sealed in a paper bag and marked with the initials of Detective O'KEEFE.

Report per Detective Brian O'KEEFE.

On Friday July 31, 1992 I, Det. Joseph Nowicki, served a subpoena on Channel 6 NEWS. For the broadcast footage of the 10:00 P.M. News on 4-22-92. I did receive a cassette copy. Upon viewing the tape, I found that the broadcast did depict paramedic personnel tending to the victim. It depicts the top of his head. No facial views. The cassette does go on for several days of broadcast and infact does not show Mr. Anderson's face until several days later. This cassette was placed on MPD Inventory # 1385051 as Item #1

On Thursday, 11-19-92 Detective Paul STUHMER, received a written communication from ADA Carol WHITE relative to a previous conversation that we had regarding property belonging to the defendant in this matter, Jesse ANDERSON. This written communication confirmed the fact that certain items of evidence on inventory were no longer needed as evidence in this matter. The items specified were a brown leather tri-fold wallet, a gold square face Seiko watch, and a gold chain with a St. Michael metal that were all placed on Inventory #1372236. Also specified in this memo was \$97 in cash that had been placed in Inventory #1372018. ADA WHITE informed me that although the items were no longer needed as evidence, she desired photographs taken of the property if the items were to be released to Jesse ANDERSON or his legal representative.

At 9:15 a.m., today's date, I contacted Jesse ANDERSON'S attorney, David GERAGHTY, at telephone #344-5700. At this time, arrangements were made for Mr. GERAGHTY to pick up the above described property. Orders for release were prepared and signed by Detective Lieutenant Kenneth MEULER and these releases were hand carried to the Property Control Section with the notation that the items of evidence should be photographed prior to turning them over to ANDERSON'S legal representative. Attorney GERAGHTY informed me that he would respond to the Property Bureau and retrieve this property, possibly on Monday, 11-23-92.

On Tuesday, 08-31-94 through 09-01-94 an evidence hearing was conducted before the **Honorable Diane S. SYKES**, relative to a motion for Post Conviction Relief filed by **Jesse ANDERSON**. He was represented by **Attorney Ronald HENDREE** who called alleged witnesses, **Clifford LEONARD** and **Eddie WILLIS** to the stand.

After reviewing the new evidence presented at the hearing, Judge SYKES issued a ruling, turning down the defendants request for a new trial, relative to the homicide of **Barbara ANDERSON**.

Upon completion of these proceedings, special agent **Greg EGGUM** of the State of Wisconsin, Dept. of Criminal Investigation presented an audible cassette tape to **Deputy District Attorney Carol WHITE**. This tape contained a recording of a phone conversation Clifford LEONARD had with a representative of his (EGGUM'S) agency. Deputy District Attorney WHITE then turned this tape over to **Detective STUHMER** with a request that it be placed on inventory, pending the possibility of any further court proceedings. This tape and a typed transcript from agent EGGUM were eventually placed on inventory #1488296, Items 1 and 2 as evidence.
